

Board of Directors Candidates

Your Board.
Your Voice.

Election: February 26 - March 22, 2024.
Vote for 3 candidates online, by phone or paper.

Mike Snyder

I joined the Board of Directors of Scenic Falls Federal Credit Union in 2006 as an interim replacement for long-time board member and firefighter Mike Sheets.

I served several more terms at Scenic Falls, including two years as the Board Chairman and joined the ISUFCU Board as part of the merger to ensure the needs of the former Scenic Falls members were met.

My tenure has included surviving the 2008-9 financial crisis, replacing two CEOs, completing the merger and rebranding to Lookout. All were done with the best intentions for the membership.

I believe our current board and management team place their highest priorities on membership needs. Therefore, I would like to continue my board service as a voice for all members, particularly those served in the Idaho Falls area.

Supervisory Accountant | Rigby
Department of Energy

Arlene Hurlburt

My name is Arlene Blass Hurlburt and I have been a member of a credit union for many years. I tell you this because I believe in credit unions. Credit Unions were created as the members being the owners and that is the way they are today. I am a current board member of Lookout Credit Union. My goals are and will continue to be making sure we are financially responsible, innovative, a place where you feel comfortable doing business and asking questions, and making this the BEST credit union.

I volunteer in the community therefore I know and hear the needs of the community and how we can best help. I appreciate your vote.

Retired | Boise
Teacher

Reese Jensen

I am an accounting, audit, compliance, risk management and fraud fighting professional with over 28 years of experience. I am a CPA and certified fraud examiner (CFE). I have learned to inspire others through creating a collaborative, trusting environment where we work together to accomplish our goals. I have found that optimism is contagious, communication is essential, and solutions are most often found when everyone knows their input is valued. As an audit professional, I have developed excellent analytical skills and have learned to be diplomatic while helping organizations improve their efficiency and effectiveness.

I have been a member of Lookout Credit Union for over 18 years, have served on its Supervisory Committee for three years and have been a member of the Board of Directors since 2021. I have enjoyed my time with the Board and would like to continue to serve the Lookout community as a Board member.

Internal Audit Manager | Pocatello
Idaho State Board of Education

Les T. Hernandez

I was on the Board of Directors as Vice-Chairman for the ISU Credit Union (prior name for Lookout Credit Union) from 1995 to 2014. I represented the credit union at the Governmental Affairs Conference in Washington, D.C. and have taken training provided by Credit Union National Association (CUNA). I am also a former employee of the credit union for which I had various positions that included being a loan officer, collector, and loan processor. I currently work at ON Semiconductor as a Corporate Global Procurement Manager.

I managed and negotiated multimillion-dollar transactions at ON. My background at ON includes customer service, sales, product marketing, strategic marketing, and purchasing management. I have a Master of Business Administration (MBA) degree from ISU. I am also active in the community by donating time as president and coach for the Southeast Idaho Youth Football League. My work and professional experiences will bring valuable insight to the board of directors. Since I was a former employee of the credit union, I have an appreciation and an insight into the operations of the credit union. I promise to keep the positive direction that the credit union has taken and will continue to strive for better services for our members.
