

Board of Directors Candidates

Your Board.
Your Voice.

Election: February 16 - March 13, 2026.
Vote for 3 candidates online, by phone or paper.

Lisa Leyshon

I am honored to be considered for a position on the Lookout Federal Credit Union Board of Directors. As the Assistant Vice President and University Controller at Idaho State University, I oversee complex financial operations, regulatory compliance, budgeting, and long-range financial planning for a large and diverse institution. My career has been dedicated to responsible stewardship of public resources, strengthening financial systems, and ensuring transparency and accountability. I believe strongly in the credit union philosophy of "people helping people." I am committed to supporting sound governance, protecting member assets, and helping the credit union remain financially strong and service-focused. With deep experience in financial leadership and policy oversight, I will bring integrity, analytical insight, and a collaborative mindset to the board. I would be grateful for the opportunity to serve and support Lookout FCU's mission to improve the financial well-being of its members and our community.

Shantay Bloxham

I have dedicated nearly 20 years to strengthening southeastern Idaho through nonprofit leadership, board service, and community collaboration. As CEO of United Way of Southeastern Idaho, I work every day to improve financial stability, expand access to essential resources, and support the individuals and families who make our region strong. I believe deeply in the role that local institutions like Lookout Federal Credit Union play in creating economic opportunity and empowering members to thrive.

I would bring experience in governance, strategic planning, and policy development, along with a grounded understanding of the challenges facing working households in our community. Most importantly, I bring a commitment to service, integrity, and working collaboratively to support Lookout FCU's mission. I would be honored to represent and serve the membership as a Director.

Denis Clijsters

I arrived in Pocatello in 2016 without local ties and have spent the past decade building community-focused projects. As a father of two young children, I'm committed to creating a thriving and welcoming city for the next generation. Through restoring historic commercial properties - most notably Station Square - I've helped create spaces that support small businesses, the arts, and public engagement through events like the Crafters Market, Open Mic nights, and our coworking space.

I hold an MS in Applied Economics and Finance from the University of Antwerp, which strengthens my ability to understand financial systems and long-term community impact. My service includes the Pocatello Rotary Club, where I will serve as President in 2026/27, co-founding the Glen Allen Project and the Kind Conservatory, and serving on the Historic Downtown Business Improvement District and a stint at the Historic Preservation Commission.

Of all the financial institutions I've worked with, Lookout CU is the one that aligns closest with my values and vision.

Heather Murray

I am honored to be considered for a position on the Board of Directors for Lookout Credit Union. As a retired educator and administrator, I bring decades of experience in leadership, accountability, and service to the community. Throughout my career, I managed budgets, oversaw staff, and made decisions that balanced immediate needs with long-term goals—skills that directly support responsible governance within a member-focused financial institution. My work required strong communication, collaboration, and a commitment to integrity. I believe these qualities align closely with Lookout's mission to promote financial well-being for all members. If elected, I will work diligently to ensure transparency, support sound financial practices, and represent the interests of our membership with care and fairness. I would be honored to contribute my experience and serve the Lookout Credit Union community in this important role.
