

# Flying Solo

Although the Ranger program is geared toward teamwork and representing our brand as a group, there is still opportunity for staff to volunteer on their own. This is known as "flying solo."

Employees can volunteer with the following organizations without prior approval:

- ☀️ Any food distribution program aimed at feeding the hungry, including but not limited to: Idaho Food Bank, Community Food Basket of Idaho Falls, church programs, Salvation Army, Benny's Pantry, or local soup kitchens.
- ☀️ Zoo Idaho, Idaho Falls Zoo, or Zoo Boise
- ☀️ Volunteering with any cleanup effort organized by a legitimate club, nonprofit, or organization, including but not limited to: Chamber of Commerce, city organizations, adopt-a-highway.

Any opportunity not listed will need prior approval from the marketing department. Send the details (including date, time, explanation of organization and the purpose of the event) to [rangers@lookoutcu.com](mailto:rangers@lookoutcu.com).

We don't give credit for time volunteered on a Board of Directors, committee, or local clubs, or time that the organization is compensating you for.

## Flying Solo Time Sheet

Complete the information below and email this form to [rangers@lookoutcu.com](mailto:rangers@lookoutcu.com). **All submissions must include a selfie of the service taking place.** Please cc your manager when you submit your email.

**volunteer:**
